# BOOTH & EXHIBITOR FAQ'S

## Do I need insurance?

- Every reasonable precaution will be taken by the Management to protect property during installation, show period, and removal. However, neither the Sponsor of the Trade Expo, the Management, service contractors, building or grounds officials, nor any of the officers, staff, members, or directors of any of the same are responsible for the safety of the property of Exhibitors from theft or damage by fire, accident, vandalism, or other causes. Security will be on the premises as previously set forth.
- All property of the Exhibitor will remain under his/her custody and control in transit to, from, and within the confines of the exhibit hall, subject to the rules and regulations of the Trade Expo. Exhibitors must carry appropriate insurance to cover display materials against damage and loss, and public liability insurance against injury to the person and property of others.
- **Those Exhibitors serving beer, wine, and spirits MUST send a copy of their policy showing proof of liquor insurance listing OCHMRA and Convention Center as an additional insured. Certificate of insurance MUST be sent prior to February 21, 2026. Email susanjones@ocvisitor.com or mail to 5700 Coastal Hwy. #302, Ocean City, MD 21842.**

## Do you provide security?

The management will provide security for the building during move-in, move-out, and the hours of the Trade Expo. The Exhibitor must have an attendant in charge of his/her exhibit. No one is permitted in the Convention Center after closing hours. We recommend Exhibitors remove or cover up valuable and/or portable items from booths during non-show hours.

## Are kids allowed at the expo?

Because of the high volume of alcohol displayed, **NO ONE UNDER THE AGE OF 21** will be admitted into the Expo, under any circumstances, **including working your booth**, except newborns attached to a parent. This policy is strictly enforced, and proof of age may be required. Please do not ask for exceptions. WE HAVE ARRANGED FOR A COMPLEMENTARY BABY SITTING SERVICE during show hours. Badges are not transferrable or refundable.

## Where can I take a break during the show?

For your comfort, an Exhibitor's Lounge is located on the second level of the Convention Center in room 213. Complimentary sodas and coffee are provided as well as a place to rest your feet.

## What if I want to leave early?

The show is open until 4:00pm on Monday, you are not permitted to break down early. Respect your neighboring booths! If you are found to be breaking down early, it could cause you to lose booth priorities at next year's Expo.

## Need lodging?

We have arranged special hotel rates with our lodging members. Go to [OceanCityTradeExpo.com/hotel-travel](https://OceanCityTradeExpo.com/hotel-travel) and navigate to EXPO INFO -> HOTEL & TRAVEL and you will find rates and links to hotels!

# RULES, REGULATIONS, & GUIDELINES

Partial or entire payment may be made when the display space is requested. All space must be paid for in full prior to the opening date of the Expo. Space not paid for by this date is subject to cancellation and resale by the Management. Space reserved within ninety days of the opening dates must be paid in full at the time the application is made.

## CANCELLATION OF DISPLAY SPACE

If display space is canceled 90+ days prior to the opening date of the Trade Expo, you will be charged a \$50 processing fee. If canceled 45 - 89 days prior to opening date of Trade Expo you will be charged half the booth space. If canceled within 45 working days to the opening date of the Trade Expo, you will not receive any refund. Should the Trade Expo not be held for any reason whatsoever, the rental and lease of the space to the Exhibitor shall be terminated, in which case the Exhibitor shall be returned the amount paid to date.

## USE OF DISPLAY SPACE

In the event of the Exhibitor's failure to install his/her display within the time limit set for the opening of the Trade Expo, failure to pay the space rental at the time specified, or failure to comply with any provisions concerning the use of the display space, the Management shall have the right to take possession of said space to resell same or any part of thereof. All demonstrations, sales activity, and distributions of circulars and promotional material must be confined to the limits of the Exhibitor's booths. No Exhibitor shall assign, sublet, or share the space assigned without the consent of the Management. Exhibitors must display goods manufactured or dealt with by them in their regular course of business unless otherwise approved by the Management. Exhibits which include the operation of musical instruments, radios, sound motion picture equipment, public address systems, or any noise-making machines must be operated so that the noise will not annoy or disturb adjacent Exhibitors and their patrons. The Management must approve these exhibits. Flashing lights are prohibited.

## OPERATING GUIDELINES & RESTRICTIONS

The Management reserves the right to restrict and remove displays that become objectionable because of the noise or methods of operation/materials if they distract from the general character and appearance of the Trade Expo. All booth decorations must be flameproof and all hangings must clear the floor. Electrical wiring must conform to National Electrical Safety Code rulings. If inspection indicates neglect in complying with these regulations or otherwise presents a fire hazard or danger, the Management may cancel all or such part of a display as may be irregular and effect the removal of same at the Exhibitor's expense.

**The serving or distribution of alcoholic beverages by Exhibitors in any part of the Convention Center must be done in compliance with the rules and regulations specified by the Maryland Comptroller's Office and OCHMRA.** The use of live models, performances, and similar persons within the Exhibit for demonstrations, explanations, etc. shall be subject to the approval of Management and must remain in the booth.

## BAG POLICY

In our effort to discourage "Freeloaders", Exhibitors are **not allowed to distribute bags larger than 10" X 13"**. Larger bags must be approved by show management.

## CARE OF BUILDING AND EQUIPMENT

Exhibitors and their agents shall not injure or deface the walls, floors, or any part of the exhibit building or booth material, or equipment of another Exhibitor. When such damage appears, the Exhibitor causing such damage is liable to the owner of the property so damaged.
