Electric Service

Each booth is provided with one 500-watt electrical outlet free of charge. It should be understood that the outlet will be placed in the most convenient and accessible location to the booth and is capable of accepting only one electrical plug. If the total of equipment's wattage exceeds the 500 watts originally provided, the exhibitor must order additional service as itemized below. The Convention Center will not be responsible for power failures or voltage fluctuations. It should also be understood that the exhibitor shall not exceed the allotted wattage and shall, upon request, show proof of the wattage being drawn. In the event that the exhibitor exceeds the provided service, he or she must reduce the amount being drawn, pay for additional service at the on-site rate, or lose the privilege of electrical service. The availability of electrical service cannot be guaranteed on requests received less than 72 hours prior to the move-in date. Requests received within 72 hours prior to move-in, if processed, will be charged the on-site event rate of an additional 50%. No credits can be issued on service installed and not used. Please note that booths located in lobby areas may not be capable of receiving electrical service due to actual location or fire code regulations.
